

Bridge Lessons and Ongoing Education for ALL

Hello! I'm Lynley Jenkins, Education Coordinator at Gold Coast Bridge Club. My colleagues are Dot Piddington and Carolyn Waters. We are all passionate about the great game of BRIDGE and enjoy offering ongoing education and support to players of all standards.

Each year we offer 2 sets of Lessons for the Absolute Beginner. The next set is February.

Perhaps you learned years ago and feel a bit rusty, we can help. We provide **regular Help with Play Sessions** covering bidding, declarer play and defence. You don't need a partner, but why not bring a friend? Bridge is a partnership game.

VISITORS WELCOME!

COST - One table ticket (available to club members, books of 10 at \$7 each), \$8 cash for GCBC members and \$10 for non-members.
